On Saturday we will also be hosting a Dressage schooling show, so if you wanted to add additional Dressage classes visit our website for that entry form. We will be offering 2015 USDF Dressage tests as well as USEF 2014 eventing tests (listed below). This Derby is a fun schooling derby with cross country fences from Elementary to Novice level. The course is a mix of solid cross country fences as well as stadium type fences.

You must compete in a Dressage test to enter the Cross Country phase!

You do not have to compete in the Stadium phase on Sunday, however cost remains the same.

**Tentative Schedule:** Cross Country course opens for walking approximately 8:00am Saturday. Dressage rides will start at 10:00 am Saturday followed by your Cross Country ride (you may request a break between or you may ride directly afterward). Stadium will not start until 1:00 Sunday afternoon. There is a Hunter/Jumper schooling show Sunday AM. You are more than welcome to join that to get more miles (a separate entry form is required).
